

FHS Class 64  
45 Year Reunion  
Sixth Meeting – 4-22-09

There were 8 classmates at our 5th meeting at Panera at the Greene:  
Judi, Gayle, Thurman, Candy, Sharon, Kathy, Denny and Dottie

Discussed my blast about canceling the reunion since we haven't contacted all the classmates. Consensus is we have tried multiple times to contact people. If they choose not to respond, then there is nothing we can do. It is time to send out reservation forms. Denny said Tom Sills called about 35 classmates recently. Many told him they were hesitant to send the Q-naire back since they felt it was a commitment to come and they are just not sure if they will have a job.

Discussed whether dress for Saturday should be left at business casual. And remove the semi formal.

Denny persuaded his sister, Janet, to take candid photos at the reunion.

Thurman noted that we need to get the word out that other classes are invited to Friday night. That could be the angle for his next publicity notice.

Gayle reported on Q-naire statistics:

117 want reservation forms.

25 will not attend,

1 wants off the list

We have 48 for Foys and 32 for the theater.

Mike Stroble is willing to do golf, but has not let us know what if anything he wants in the reservation form.

Sharon is going to check with Foys about what they would like to do for 2 seatings on Saturday. Having the theater in between will work to our advantage so the 1<sup>st</sup> group gets out before the 2<sup>nd</sup> group comes in.

Zoe is going to get already popped corn from the American Legion and bag it for our theater tour. Gayle is going to work on a movie quiz to take while we are at the theater. She was also considering paying for the marquee announcement re the class. Zoe had suggested putting out a jar on Friday, but that is not going to cover the cost. She will check with Butch Kelley again about the cost.

Gayle has not called Linda Childers to ask for her help...maybe a greeter for Saturday. Gayle did email Sharon Ray Miller and there will be 7 in that group that will greeters on Friday night.

Sharon found the name badge holders, some with pictures still in them. She gave them to Denny. She also gave him the CD with the class photos on it.

Gayle couldn't remember if she sent Jerry Gilbert an email about a combined class event. But we all agreed that all classes have always been invited to our Friday night event.

Kathy will update the reservation form and send to Denny and Gayle later this week. Then Denny and his wife will send it out. Deadline for returned form is July 15. That only leaves 6 weeks until the reunion.

We didn't discuss it, but the reservation form needs to be sent to Barbara to put on the website.

We didn't discuss it, but we need to check with Melodi to see how much lead time she needs to make the poster of the deceased classmates.

Thurman was concerned that he used the website for the details for the first 15 publicity notices he sent and there was a contradiction for the day for the photo. Gayle sent email to Barbara to fix the error.

Reservation form updates will include a note that spouses are welcome to all events. And, that a tour of Central School is no longer available.

Kathy will begin working on the history book. Gayle gave her all the Q-naires she has to date. Kathy is also going to work on lowering the price by doing some of the work at home. For instance, we could buy her a couple toner cartridges instead of paying for the printing.

Dottie will tell Dave Marquette, the DJ, we want some ballroom dance music. Although that seems like that should not be necessary, Gayle didn't think it was necessarily obvious that he would include ballroom for a class reunion.

Next meeting: Tuesday, June 23 at 7 pm at Panera in the Greene.

We will be stepping up the frequency of the meetings as we get into the nitty gritty details so we will be ready for the reunion.
