

FHS Class 64  
45 Year Reunion  
Third Meeting – 7/27/08

There were 9 classmates at our 3<sup>rd</sup> meeting:

David, Denny, Gayle, Judi, Sharon, Zoe, Tom, Melodi, and Andy.

Denny gave out some calling lists for the attendees of the 1994 reunion.

Some people turned in their lists from the calls for the 1999 attendees.

He will also send lists to those out of state classmates who have offered to help. We need to get this task completed.

**(He emailed us that he has received feedback for 71 calls out of 132 names given out. We need to seriously step up the pace.)**

We liked the Class of 63's photo memorabilia of their deceased classmates and will do something similar. Melodi will do the physical one for the reunion. Denny will send the CD of yearbook photos to Barbara to create something similar on our website.

Dottie sent word that Dave Marquette, DJ, is available. **(Dottie – the question was raised why the difference in rate for Saturday? What is the rate for additional hours? We want to look at 5 hours each night. But basically to go ahead and book him.)**

Candy, would you get us the hours each night for the ballroom and the hospitality room. And the costs for food options for Friday and Saturday. **(I left Candy a voice mail requesting this information for our questionnaire mailing.)**

We talked about the brunch on Sunday. Zoe suggested making it an event and going somewhere else. But after 2 days of events, that is probably overkill. **(Candy, what is the cost of the brunch?)**

Sharon talked to Ed Esposito about the group photograph. It is \$18 for a color 8x10 available the same night. Go ahead and book him.

Denny is going to talk to his sister Janet about candids for Friday night.

Zoe is going to get with Kathy to work on the masters for our questionnaire and reservation forms. At the meeting we talked about mailing the questionnaire in September. And that Zoe and Kathy would send us the form to review before our September meeting. We still want to do that and have it at the September meeting.

**(After Denny's email about call stats, we are NOT going to send out the questionnaire in September.)**

We are going to have an email mailing and a hard copy mailing of the questionnaire.

This will help reduce our mailing costs. The reservation form will be mailed to everyone.

Next meeting: Thursday, September 18 at 7 pm. Zoe is going to check into the Fox and Hound next to Fairfield Commons. This will be closer for Denny. Our fall back will be Tim Horton's in Fairborn.
